ARON LAYSON

Web Developer

ABOUT ME

I'm Aron Layson, a graduating IT student currently in my fourth year, majoring in Web Development at Holy Angel University. I am deeply interested in programming, creating websites, and exploring various technologies. Through hands-on projects and coursework, I've gained valuable skills in HTML/CSS, Python, JavaScript, and more.

OBJECTIVE

I'm an IT student specializing in web development, eager to apply and improve my skills in both front-end and back-end development. I'm looking for exciting projects where I can use and to enhance more of my expertise in programming languages, frameworks, and design concepts to build captivating and intuitive web applications.
